OUR PRACTICE

Welcome to Clear Lake Dermatology. For more than 25 years, we have served the dermatologic needs of Houston and the Bay Area, providing individual attention, hospitable service, and high quality of care to our patients. At CLDerm, patients are seen, examined, and treated by our two American Academy of Dermatology Board-certified physicians, delivering the highest level of expert care.

Our practice philosophy is of attention and time spent educating patients on their skin conditions, treatments, and preventative measures. As a result, we build relationships with our patients, many of which are life-long. Please browse our website to learn more about our office and services.
OUR DOCTORS

Narin “Dr. Joe” Apisarnthanarax, M.D., F.A.A.D., is a Board-certified Fellow of the American Academy of Dermatology, American Society of Dermatologic Surgery, and American Society of Cosmetic Dermatology and Aesthetic Surgery. Dr. Joe grew up locally in Clear Lake and graduated from St. John High School in Houston. He received his Bachelor of Arts in Biology from Washington University in St. Louis, his medical degree from the University of Texas Medical Branch (UTMB) in Galveston, and dermatology residency training at Case Western Reserve University in Cleveland, OH, one of the top NIH-funded programs in the country. He also conducted skin cancer research for 3 years at the prestigious M.D. Anderson Cancer Center and has been an author on over 20 publications and textbook chapters. Dr. Joe specializes in medical, surgical, and cosmetic dermatology with particular interests in skin cancers, psoriasis, and laser surgery, and is regarded as an expert on cutaneous lymphomas. He lives in Clear Lake with his wife and 3 young children. Dr. Joe is an expert dermatologist on RealSelf.

Prapand “Dr. A” Apisarnthanarax, M.D., F.A.C.P., is a Board-certified Fellow of the American Academy of Dermatology and is also board-certified in Dermatopathology. Dr. A graduated with his Bachelor's degree at Chulalongkorn University and medical degree at Siriraj University, both prestigious universities in Bangkok, Thailand. He completed his Dermatology residency training at the University of Alabama, Birmingham. Dr. A trained in Dermatopathology at the University of Texas Medical Branch (UTMB) in Galveston, where he went on to serve on the faculty as an Associate Professor and as Director of Dermatopathology for 10 years. He established the current dermatology practice now known as Clear Lake Dermatology in 1981. Dr. A. has been an author on 25 publications throughout his career. He has particular interests in skin cancers and serves as the dermatopathologist for the practice.

Lindsey Hunter-Ellul, M.D., F.A.A.D., is a board-certified dermatologist, a Fellow of the American Academy of Dermatology, member of the Harris County Medical Society, Houston Dermatological Society, Texas Dermatological Society, Society for Pediatric Dermatology, Women's Dermatologic Society, American Society for Dermatologic Surgery, and the Texas and American Medical Associations. Dr. Hunter-Ellul is a native Houstonian and received her undergraduate degree from The University of Texas-Austin and her medical degree and residency at The University of Texas Medical Branch. An author of over 20 publications, Dr. Hunter-Ellul specializes in general medical, surgical, and pediatric dermatology. Dr. Hunter-Ellul spends time outside of work with her husband, children, and two dogs.

David Raimer, M.D., F.A.A.D., is a board-certified dermatologist and is also an ACGME Fellowship trained MOHS micrographic surgeon. He completed his undergraduate at Tulane University and attended medical school at the University of Texas Medical Branch (UTMB), completing both his internal medicine internship and dermatology residency at UTMB. Dr. Raimer is regarded as an expert in Mohs micrographic surgery and procedural dermatology. He was born and raised in Galveston, Texas and performs advanced skin surgery procedures here at Clear Lake Dermatology.
